Week 4B (fronts)

Who built the ark?

Who made King Arthur's  
round table?

What did Caesar say  
to Cleopatra?

Why aren't you doing well  
in History?

Where was the  
Declaration of  
Independence  
signed?

Did you know that  
Abraham Lincoln had  
a very hard childhood?  
He had to walk 8 miles  
to school every day!

Why did the pioneers  
cross the country  
in covered wagons?

What do Alexander the  
Great and Kermit the Frog  
have in common?

How was the  
Roman Empire  
cut in half?

When a knight was killed in  
battle, what sign did they  
put on his grave?
