finished a march

Tulips (Two Lips).
the spring flowers

A receding hareline.

explain that one)

A bee comes after it

A slam duck

A smarty pants.

Your one hot chick!

spring (fronts)

What do you call a duck
who plays basketball?

Why are people always
tired in April?

What do you call a bunny
with a dictionary in his pants?

What grows between
your nose and chin?

What does a rooster
say to a hen he likes?

What do you call ten rabbits
marching backwards?

Do you know how bunnies
stay in shape?

What do ducks have for lunch?

What season is it when you
are on a trampoline?

Why is the letter A like a flower?
