Kindness is spreading sunshine into other peoples lives, regardless of the weather.

No act of kindness, no matter how small, is ever wasted.

It’s nice to be important, but it’s more important to be nice.

One kind word can change someone’s entire day.

Choose KIND over COOL.

Kind people are your kind of people.

No one can help everyone, but everyone can help someone.

Be kind to unkind people, they need it most.
